**Words for Hymn: Saint Thomas wasn't hasty**

Saint Thomas wasn't hasty, he liked to take his time.

Yes, Thomas liked to weigh things and make his facts align.

The rest of the Disciples said they had seen the Lord,  
but Thomas said he doubted, and didn't take their word.

"I want to see the nail marks, I want to touch his side;

I can't believe he's risen, I only know he died."

For eight days Thomas waited; his heart was full of fear;

For eight whole days he doubted that Jesus would appear.

But then he met the Saviour and heard and touched and saw,

and filled with joy and wonder he worshipped and adored.

"For now I see that Jesus is risen and restored,

I bow my knees and worship, my Saviour and my God"
