Maundy Thursday
Easter

Christmas Eve
Christmas

I would like to thank each recording team member for their dedicated work throughout the year.
There is a copy of this rota in the library.
Please make sure that you are at the recording table **before** the service starts.
Remember that both the congregation and the minister expect someone to be at the recording desk at each service.
Always find a replacement if you are unable to be there.

Thank you for your help and cooperation.
